Colorplosion Tips:

- Wear the items provided for you:
 - T-shirt will absorb color
 - Sunglasses will help protect your eyes from the powder
 - Use bandanas to cover your mouth and forehead to avoid inhaling powder and keep color from running in your eyes if sweating
 - Wet wipes for quick cleanup afterward
- Keep your electronics safe by placing them in a plastic bag—the powder may be safe for people but may cause problems with electronics
- Hold your breath while running through the Colorplosion stations to avoid inhaling the powder
- Save the color packet in your registration bag for the Colorplosion finale!!
- If you want to preserve the color in your shirt, spray it with vinegar and iron it before washing. The color will eventually wash out but this will slow the process
- Clean-up: the color may stain your clothing, so you may want to bring a towel or blanket to cover the seats in your car for the ride home

The TEAM 5K Colorplosion will be September 13, 2014 starting at the Bagley City Park.

- ♦ **Registration begins at 9:00 a.m. in the Bagley City Park middle shelter**
- ♦ **5K Colorplosion begins at 10:00 a.m.**

Proceeds donated to Clearwater County Hospice

Colorplosion is a fun, untimed 5K run/walk. Bring the family and enjoy a refreshing wellness event while supporting the Clearwater County Hospice.

Colorplosion will start at the City Park with **Colorplosion** stations along the route where you will be doused with environmentally safe, 100% biodegradable (edible if you wanted, but we wouldn't recommend it) color.

Families welcome, strollers too—just remember the color may stain.

WEAR WHITE—T-shirt provided with each paid registrant but have some fun and be creative with the rest of your attire.

Upon completion of the run/walk the group will meet at the Frog Pond to spread more colorful cheer! Bring the packet that will be in your registration bag and we will have a **COLORPLOSION** finale!!
