July 2, 2014

Greetings to you from the TEAM Industries Wellness Committee!

As our TEAM Wellness Committee has searched for ways to continue to promote healthy activities within our company, we have decided to branch out to the community with this promotion, as well as work to promote a charity chosen by our Employees. We are writing in order to share our plan with you and to gain your support of this effort:

**TEAM Industries First 5k Colorplosion Fun Run/Walk!**

**Proceeds will go to Clearwater Hospice Fund-by employee majority vote. Note: Because Clearwater Hospice is a component of NW MN Foundation, you can give charitably and receive tax benefits!**

**This event will be in place of the annual Clearwater Hospice Golf Scramble for 2014.**

If you would normally support the Golf Scramble, please consider supporting this event as well. Hospice is a concept of care that exists to affirm and improve the quality of life for persons in the last stages of an incurable disease. Hospice is a way of caring for and comforting the dying person and family so the person might live each day to the fullest. Please find it in your hearts to join us in our support of Clearwater Hospice.

The event will be held in Bagley on Saturday, September 13<sup>th</sup>, at 9:00am. **Participants** will pay an entry fee, and receive a goodie bag which will include a color packet, t-shirt and other items from our sponsors, and will be entered in a drawing for various prizes. **Sponsors** of this event will have their business name recognized during the event, as well as placed on signs at the beginning and end of the race and the signs for water stops throughout the race. There will also be one free entrance and goodie bag with your donation.

In order to organize the printing for the event, **we would like to receive all donations by Friday, August 1, 2014.** This will ensure that your business name will be included with our printed media. Remember, any donation will be tax deductible. Thank you so much for your support!

Sincerely,  
TEAM Industries Wellness Committee
