Clearwater County Hospice

Hospice is a concept of care that exists to affirm and improve the quality of life for persons in the last stages of an incurable disease. Hospice is a way of caring for and comforting the dying person and family so the person might live each day to the fullest. Please find it in your hearts to join us in our support of Clearwater Hospice.

This event will be in place of the annual Clearwater Hospice Golf Scramble for 2015. If you would normally support the Golf Scramble, please consider supporting this event as well.
